MS AND PHD EAPS STUDENTS

BROADEN YOUR GRAD EXPERIENCE

For those MS and PhD students in EAPS that
would like to broaden their graduate experiences
while at Purdue, EAPS is affiliated with the
Computational Interdisciplinary Graduate Programs
(CIGP) at Purdue. While working toward a
graduate degree in EAPS, graduate

students can also have a concentration
(specialization) in the area of Computational
Science and Engineering (CSE). For more
information, [click here](#). A short video about the
CIGP/CSE program can be found [here](#).

Spring Application Deadline: March 1

Fall Application Deadline: October 1

CIVIL ENGINEERING CAREER FAIR OPEN TO ALL STUDENTS

The Civil Engineering Student Advisory Council (CESAC) would like to invite EAPS students to this year's annual CESAC Civil Engineering Career Fair, occurring in-person on **October 13th from 9am-3pm**

in the CoRec, and virtually on October 18th from 1-5pm on CareerFair+.

This year, we have a record-breaking 175 companies coming to campus in-person, and 30+ companies attending virtually, our largest ever combined career fair.

We would greatly appreciate if you could forward this invitation onto your students. If they would like more information regarding details about the fair and its supporting events, they may visit www.purduecesac.org.

POSTER AND RESEARCH TALK JUDGES NEEDED FOR 2022 FALL EXPO

Currently seeking faculty, staff, post-docs, and graduate students to help in judging posters and research talks both in-person and virtually for the 2022 Fall Expo. Many students wanting to take the opportunity to present in-person are anticipated. Those who are interested and available can indicate their interest using the [Qualtrics link](#) on the [Judging Registration website](#). Individuals can sign up to judge in-person posters in morning (10-11:30) or afternoon (1-2:30) sessions on Monday, Nov. 14 in the PMU Ballrooms, research talks on Wednesday, Nov. 16 in STEW 214, and/or virtual presentations that can be judged Nov. 14-17. Note: This is the first time the Fall Expo will be formally judged with awards distributed to top presentations.

MASTER OF ARTS IN TEACHING EARTH SCIENCE RESIDENCY PROGRAM ACCEPTING APPLICATIONS

[The Master of Arts in Teaching Earth Science Residency Program](#) in the Richard Gilder Graduate School at the American Museum of Natural History in New York City is looking for graduates with Earth and space science backgrounds (geology, mineralogy, paleontology, oceanography, astronomy, environmental geology, and more) who want to make a difference in the world of STEM education. This teaching fellowship combines coursework, mentoring, and real-world experience to prepare Earth and space science graduates for rewarding careers as culturally responsive middle and high school teachers. **All degree candidates will receive free tuition, books, and a \$30,000 living stipend.** In return, candidates commit to teaching in a high-needs school for three years.

With a sole focus on preparing new Earth science teachers, the program is a full-time, 15-month Master's degree program that takes place at the Museum and in urban partner schools. We seek a student body with a passion for social justice and diverse life and career experiences.

We are currently accepting applicants for the class that will begin in June 2023. Prospective students are encouraged to attend an Information Session or to contact us for more information. Please share this email with your students and colleagues. You can also visit the program website to learn more and/or join our mailing list (make sure to click MAT for Earth Science Grads). For questions, you can contact the program office directly <mailto:atmat@amnh.org> or (212) 313-7464.

INNOVATED SEEKING GRAD STUDENT SUBMISSIONS

The Graduate School is seeking article submissions for the 2022-23 edition of its graduate research magazine, InnovatED! InnovatED is Purdue University's premier graduate research magazine. Its mission is to showcase the influential and inspirational graduate research conducted at our university. Each publication features ten students, selected by Graduate School leadership.

Graduate Students:

What's Required?

- Submissions should be in the form of a popular press piece and should consist of 700 to 800 words. To get an idea of how submissions should be formatted, students can check out the 2021- 22 edition of InnovatED.

Why Submit?

- The student author or co-authors selected will receive an award of \$250 per accepted manuscript, with the cover story receiving \$500.
- Students selected for publication will receive one-on-one coaching focused on communicating complex information to a lay audience.
- Research published in InnovatED is shared widely, reaching readers in more than 45 countries.

The submission deadline for the 2022-23 Edition is November 11. Those interested can learn more and [submit here](#).

DOD SMART SCHOLARSHIP **APPLY AUG. 1 – DEC. 1**

The [Science, Mathematics, and Research for Transformation \(SMART\) Scholarship-for-Service Program](#) is now accepting applications. SMART offers students pursuing a bachelor's, master's, or Ph.D. in science, technology, engineering, and mathematics (STEM) fields an opportunity to receive a full scholarship and guaranteed civilian

employment with the Department of Defense upon degree completion. SMART offers students the chance to pursue their passion in STEM while supporting the mission of the Department of Defense.

Eligibility Requirements:

- Be a U.S. Citizen
- Be 18 years of age or older
- Minimum GPA of 3.0 on a 4.0 scale
- Be pursuing a bachelor's, master's, or Ph.D. in one of the [21 STEM fields](#)

Application deadline is December 1, 2022.

Students can view the [SMART videos](#) and visit smartscholarship.org to learn more.

PROFESSIONAL GEOLOGISTS OF INDIANA - UNDERGRADUATE GEOLOGY FIELD CAMP SCHOLARSHIP ANNOUNCEMENT

Professional Geologists of Indiana (PGI) is pleased to announce a \$500 scholarship to be awarded to a deserving undergraduate student to help offset the tuition costs associated with attending field camp. We would greatly appreciate your assistance in communicating this opportunity to applicable students at your Indiana institution! Application details are below.

Who can apply? Any undergraduate geology major enrolling in field camp for the 2023 summer.

How to apply? Craft a one-page (or less) PDF application that includes the following:

- an introduction about yourself,
- a description of the skills you are looking forward to learning at field camp, and
- a description of your future geological aspirations following completion of your degree.

Where to apply? Send your PDF application to: profgeologistsfin@gmail.com, and insert "student scholarship application" in the email subject line.

When to apply? All applications MUST be submitted by **October 15, 2022** (11:59 PM EST).

The recipient will be invited to attend the PGI annual meeting on November 9, 2022, in Indianapolis, Indiana, where PGI board members would like to introduce the scholarship recipient to other PGI members. The chosen recipient will be notified prior to the annual meeting.

FORD FOUNDATION FELLOWSHIP PROGRAMS **LEARN MORE**

Through its program of fellowships, the Ford Foundation seeks to increase the diversity of the nation's college and university faculties by increasing their ethnic and racial diversity, maximize the educational benefits of diversity, and increase the number of professors who can and will use diversity as a resource for enriching the education of all students.

Predocctoral, dissertation, and postdoctoral fellowships are awarded in a national competition administered by the National Academies of Sciences, Engineering, and Medicine on behalf of the Ford Foundation.

Eligibility to apply for a Ford fellowship is limited to:

- All U.S. citizens, U.S. nationals, and U.S. permanent residents (holders of a Permanent Resident Card); individuals granted deferred action status under the Deferred Action for Childhood Arrivals Program;1 Indigenous individuals exercising rights associated with the Jay Treaty of 1794; individuals granted Temporary Protected Status; asylees; and refugees, regardless of race, national origin, religion, gender, age, disability, or sexual orientation;
- Individuals with evidence of superior academic achievement (such as grade point average, class rank, honors or other designations); and
- Individuals committed to a career in teaching and research at the college or university level in the U.S.

2023 Competition Dates

- 2023 Dissertation and Postdoctoral application deadlines: December 8, 2022, 5:00 PM Eastern Standard Time (EST)
- 2023 Predocctoral application deadline: December 15, 2022, 5:00 PM Eastern Standard Time (EST)
- Supplementary Materials deadline for submitted applications January 5, 2023, 5:00 PM Eastern Standard Time (EST)
- Notification of 2023 awards: TBD
