CONGRATS, KUDOS, COOL STUFF, AND THUMBS UP!

- Congratulations to Ph.D. student Moshammat (Moe) Mijum for being awarded a 2024 Wiley Award by the Council of the Meteoritical Society!
- Congratulations Michael Vermeuel for being awarded the AGU's 2024 James R. Holton Award!
- Congratulations Ali Bramson for being awarded the AGU's 2024 Ronald Greeley Early Career Award in Planetary Sciences!

NEWS/OPPORTUNITIES AT PURDUE

[EAPS SEMINAR – MIKE SORI](#)

Thursday, Sept. 26th, 3:30 pm, HAMP 1252

Mike Sori is an Assistant Professor with EAPS. This is a Tenure Talk.

PURDUE GIS DAY 2024

Purdue Libraries and School of Information Studies invites you to attend and present at Purdue GIS Day 2024: Exploring GeoAI on **Thursday, November 7, 2024** in STEW 214.

Take your research to the next level by presenting it to leading scholars and members of the broader GIS community. Undergraduate and graduate students can submit proposals for a poster presentation and/or a 5-minute lightning talk on any GIS-related topic. This is a great opportunity to practice public speaking and add noteworthy skills to your resume. The best of the student posters and presentations will receive cash awards.

The conference will also feature keynote speaker Gregory Brunner, an experienced scientist, award-winning professor, and principal data scientist at Esri—global market leader in GIS software, location intelligence, and mapping. He will be speaking about the rapid growth of the AI model ecosystem and the potential impact it has and will have on GIS in his talk titled, “The Burgeoning AI Model Ecosystem and Its Potential Impact on GIS.”

Please submit your proposal by September 30, 2024 which will also get you registered for the conference to receive a free T-shirt and to attend the panel discussion lunch. [Submit proposals and register for the event](#)

ASTRONOMY ON TAP SEEKS SPEAKERS

The Lafayette chapter of Astronomy on Tap - Cradle of Astronauts - is once again holding public events at the [Spot Tavern](#) beginning in the Fall of 2024. You may have already heard about [Astronomy on Tap](#) events around the country. This organization aims to make astronomy-related talks more accessible to the general public (with a mix of games and other fun activities). Over the past couple years, they have had great public turnouts and lots of fun hosting trivia alongside these talks, so they highly encourage you to participate! They are building a bank of potential speakers for these outreach events locally.

If you are interested in being a speaker, please complete [this interest form](#). The target group for speakers includes undergrads/grads/postdocs/faculty, but could also be research scientists and other professionals. If you know of others in these categories that would be qualified speakers, please do forward this email. For info on past events and speakers, the [Twitter page](#) and [Facebook page](#) for Astronomy on Tap for the Greater Lafayette

area is a great place to start. Please like and follow this page for more updates. The hosts of Astronomy on Tap are Aleksey Mohov (PhysAstro grad) and Noah Martin (EAPS grad).

DEFENSE CIVILIAN TRAINING CORPS - PURDUE UNIVERSITY

Purdue's Defense Civilian Training Corps (DCTC) is a new program that will build civilian careers in the Department of Defense relating to acquisition, digital technologies, critical technologies, science, engineering, and finance and more. The Defense Civilian Training Corps is a scholarship-for-civilian-service award.

EAPS GRAD STUDENT RESEARCH OPPORTUNITIES

If you are interested in an EAPS grad research opportunity, [click here](#) for more information.

FIESTA DE ALMUERZO

We've just started Hispanic Heritage Month, and we're so excited to be back with our annual **Fiesta de Almuerzo** to honor and celebrate the Latino community here in EAPS!

This event will be held on **Wednesday, Oct. 9th from 1:30 - 3:00 pm in Wood Commons** (lobby in the front entrance of HAMP). There will be free food provided by Latine-owned restaurants along with cultural dishes made by some of our very own students!

Do **YOU** want to help out and contribute to the festivities?

This year, you have the opportunity to sign up to bring materials to help make this event a success.

[Please sign up here](#) - we're mainly asking for items like plastic cutlery, napkins, and drinks! Multiple people can sign up per item - we need enough for 50 people.

Don't have time to shop? You can also help us financially by sending us \$5-10 on Venmo (@planetariis) to aid in our catering costs!

We are elated for the chance to bring our culture to EAPS again and celebrate our roots! We had so much fun last year and we hope that you'll join us again.

Cheers,

Lisette Melendez, Santa L. Perez-Cortes, Giovanni Bacon, and Mariana Blanco-Rojas
FdA Planning Committee

OUTREACH NEWS

If you have not done your STEM Career video yet please set up a time with Steven to record it. It should only take you ~10 minutes to record the video.

[Here is a great example from Jonathan Delph](#)

Link to the repository with all of the recorded STEM Career videos: <https://purdue.link/STEMrepository>

If you or your group has worked with or helped with an activity for K-12 students or teachers, please fill out the [departmental outreach activity form](#).

Upcoming Outreach Events:

Purdue Homecoming

- Date: Saturday 9/28
- Location: Outside of HAMP building in the College of Science tent
- Time: Morning before game
- Needs:
 - volunteers to run stations
 - Steven will NOT be available this day. So, groups/persons will need to get the materials for activities prior to the day.

Wonders on the Wabash

- Dates:
 - Tuesday, September 24
 - Wednesday, September 25
 - Thursday, September 26
 - Tuesday, October 01
 - Wednesday, October 02
- Location West Lafayette
- Time: This varies depending on what you sign up for.
- Needs
 - *All-day raft instructor* - You and another adult will be in a raft with approximately 6 to 8 - 6th grade students.

- *AM set-up at Davis Ferry* - North 9th Street - 6:30 AM - Early morning set-up is getting rafts and equipment ready for the day.
- *Tapawingo Park - PM where needed* - 12:30 PM - Help get lunch set-up and post trip equipment.
- *All-day on land where needed* - 9:00 AM - General help

○

- More information:

<https://www.tippecanoe.in.gov/969/Volunteer-Information>

- *Sign up for this early as they have to do a background check on all volunteers*

Planetary Fact of the Week (Universal Facts!)

- Dates: Wednesday, September 11th & Ongoing
- Location: HAMP 2201
- Time: During Crater Cafe 10:30 am (*or schedule another day/time with Steven*)
- Needs: We are recording fun facts about the universe. These videos need to be under 1 minute so make it a quick fact, not a story!

Rock of the Week

- Dates: Ongoing
- Location: HAMP 2270 (Superheroes of Science HQ)
- Time: During GaGgle 10:30 am (*or schedule another day/time with Steven*)
- Needs: We are recording fun facts about rocks, minerals, or fossils. These videos need to be under 1 minute so make it a quick fact, not a story! Bring your favorite rock or send Steven a photo of one that you are going to talk about!

Tabletop Gaming Night

- Dates: First Friday of each Month (September - May): 6-9 pm
- Location: HAMP 2244
- Needs: No “needs” here. It’s not even an official Dept event. It’s just a bunch of us getting together to play board games. Everyone is welcome.

MEETINGS/EXPOS/ OPPORTUNITIES OUTSIDE OF PURDUE

NATGEO REQUEST FOR PROPOSALS

The National Geographic Society (NGS) is pleased to announce a Request for Proposals (RFP) for academic researchers investigating topics related to geography education in Indiana. Awards of up to \$5,000 are available to support research related to geography education, including but not limited to: geographic thinking and learning, the [Explorer Mindset](#), environmental education, geographic information systems (GIS), and citizen science. Research may investigate geographic education from any discipline, or be interdisciplinary in nature, and may explore formal or informal learning environments. Research that illuminates barriers and/or advances access for those farthest from opportunity is encouraged.

Eligibility- Researchers from public and independent institutions of higher education in the state of Indiana are eligible to apply. Applicants from historically and currently underrepresented and underserved populations are encouraged to apply. The award can support a broad range of researcher audiences including all graduate students (including thesis or dissertation support), and faculty of all ranks.

Potential Research Outputs- Deliverables could include a range of research results including but not limited to white papers, empirical research, literature reviews, dissertations, and theses.

Restrictions-

- Funds must be used to strengthen geographic education in Indiana
- The award is intended for non-commercial research
- Institutional overhead/indirect costs not allowed
- Funds must be distributed by the end of 2024 and should be used in 2025

A final research product is required and preliminary research outputs should be produced by the end of

the 2025 academic year. There may also be opportunities to present research to NGS staff. Instructions for Submitting Application Please complete [this application form](#) by **September 30, 2024**. Please contact Carley Lovorn, clovorn@ngs.org, if you have questions.

The future of WATERS

The 18th Annual Ecological Sciences and Engineering Symposium

Fowler Hall, Stewart Center October 2, 2024 at 6 pm

Dan Egan for many years covered the Great Lakes for the Milwaukee Journal Sentinel. Now he writes occasional long-form pieces about climate change for national media outlets, including the New York Times, and is a senior water policy fellow at the University of Wisconsin-Milwaukee's School of Freshwater Sciences. He is the author of THE DEVIL'S ELEMENT: PHOSPHORUS AND A WORLD OUT OF BALANCE and the New York Times best seller THE DEATH AND LIFE OF THE GREAT LAKES. Twice a finalist for the Pulitzer Prize, he has won the Alfred I. duPont-Columbia University Award, John B. Oakes Award, AAAS Kavli Science Journalism Award, and J. Anthony Lukas Work-in-Progress Award. A graduate of the Columbia Journalism School, he lives in Milwaukee with his wife and children.

SCAN ME!

SCGSR GRADUATE STUDENT PROGRAM

The SCGSR 2024 Solicitation 2 (2024 S2) is now open for applications. You can see the solicitation at <https://science.osti.gov/wdts/scgsr/>. The online application can be accessed at <https://apps.oraui.gov/SCGSR/Account>. The online application will last for 12 weeks and will close on **November 6, 2024, at 5:00PM ET**. Three items for your attention: Please direct all questions to sc.scgsr@science.doe.gov.

UCAR STUDENT OPPORTUNITIES WEBSITE

Check the opportunities website for opportunities at UCAR.

POST-DOC OPPORTUNITY - AIR FORCE SCIENCE & TECHNOLOGY FELLOWSHIPS

The National Academies of Sciences, Engineering, and Medicine administers postdoctoral and senior research awards at the U.S. Air Force Research Laboratory (AFRL), the U.S. Air Force Institute of Technology (AFIT), and the U.S. Air Force Academy (USAFA) under the [Air Force Science & Technology Fellowship Program \(AF STFP\)](#).

Seeking highly qualified candidates who are U.S. citizens and hold, or anticipate earning, a doctorate in a variety of fields of science or engineering.

Application deadline dates (four annual review cycles): February 1, May 1, August 1, November 1

Awardees have the opportunity to:

- Conduct independent research in an area compatible with the interests of the Air Force laboratories
- Devote full-time effort to research and publication
- Access the excellent and often unique Air Force research facilities
- Collaborate with leading scientists and engineers
- Awardee benefits:
- Base stipend starting at \$76,542; may be higher based on experience
- Health insurance (including dental/vision), relocation benefits, and a professional travel allowance

Applicants should contact prospective AFRL, AFIT and USAFA Research Adviser(s) at the lab(s) prior to the application deadline to discuss their research interests and funding opportunities.

For detailed program information, to search for AFRL, AFIT, and USAFA Research Opportunities, and to contact prospective Research Adviser(s), visit www.nas.edu/afstfp.

**AWG BRUNTON AWARD AND
BRUNTON FIELD PROJECT AWARD**

The AWG Brunton Award and Brunton Field Project Award promote the future of field mapping and data acquisition for the upcoming generation of people whose gender identity has been historically underrepresented in the geosciences. Applicants should have a passion for and exceptional experience with field work, including internships, field camp, coursework with a field-based research component, or research. The AWG Brunton Award has been active for >20 years and provides Brunton compasses to 1–2 awardees each year. The AWG Brunton Field Project Award started in 2022 and awards a Brunton compass and up to \$1000 to support field activities to each of 1–2 awardees each year. [Learn more here](#). **Deadline for entry is Dec. 15th of each year.**
